

Gentaur

Gentaur is proud to support the research community
at SCSO 2025 as a Platinum Sponsor.

Gene Expression

With over 22 years of biotech
sourcing expertise, Gentaur serves
scientists globally with precision,
speed, and trust.

Immune Profiling

ATAC & Multiome

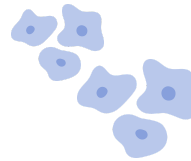

We deliver the latest tools and
technologies to push the frontiers
of single-cell and spatial biology.

Nuclei Isolation

Gene Expression

Single Cell 3' v3.1 Kit
Gene Expression Flex Kit
Fixed RNA Profiling Kit
Dual Index Kit TT Set A

Immune Profiling

- 5' v2 Reagent Kit
V(D)J Enrichment Kit (Human B cells)
V(D)J Enrichment Kit (Human T cells)
Feature Barcode Kit for Cell Surface Protein

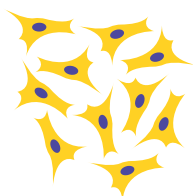

ATAC & Multiome

Single Cell ATAC v2 Kit
Multiome ATAC + Gene Expression Kit
Barcoded ATAC Transposase
Dual Index Kit TS Set B

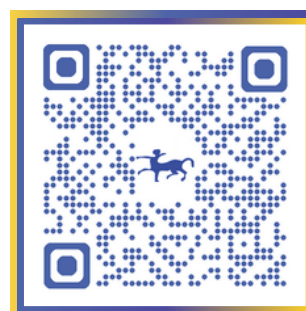

Nuclei Isolation

Lysis-Based Nuclei Isolation Kit
Column-Based Nuclei Isolation Kit
Subcellular Fractionation Kit
Magnetic Bead-Based Dead Cell Removal Kit
